

Bird Recording Areas in Wales

While most counties follow the Watsonian vice counties, the three differences shown in purple reflect the modern boundaries of Powys: records from (a) are maintained by both [Denbighshire](#) and [Montgomery](#) recorders; those from (b) and (c), while historically in Brecknockshire are maintained by recorders in [East Glamorgan](#) and [Gwent](#) respectively.

Thanks to Dr Alan J Morton for his help in producing the map
