CORPORATE MEMBERSHIP

Help support the work of the Welsh Ornithological Society by becoming a Corporate Member for £100 a year. As well as supporting the conservation of birds in Wales (through our small grant scheme, for example), Corporate members receive the following benefits:

- A copy of the society's journal *Birds In Wales*. Published twice a year, the journal reports the latest research on birds in Wales and well as incorporating the annual Welsh Bird Report.
- Advance notice and discount on booking at the Society's Annual Conference. These popular conferences move around Wales and are held each year in November with a themed topic reporting the latest work on bird research.
- Copy of the Society's bi-monthly e-newsletter.
- Your Company included on the Society's website, with a link to your website.
- Access to the members section of the website giving a range of resources such as back issues of *Birds in Wales*, links to the latest consultations of relevance to birds in Wales and details of recent sightings of birds of interest.

APPLICATION FOR CORPORATE MEMBERSHIP

We wish to become a corporate member of the Welsh Ornithological Society.

I confirm that(Name of Company) does not engage in work likely to be detrimental to the objectives of The Welsh Ornithological Society, that membership of the Society does not imply endorsement of any company and that membership (including the Society logo) may not be used for advertising or to imply endorsement of any company or product. I understand that The Welsh Ornithological Society may turn down any application for Corporate Membership without giving reasons.
